## SUMMER HOLIDAY ASSIGNMENT SESSION 2019-20

Dear Parents,

Warm Greetings!!

For the past 2 months we enjoyed taking care of your precious children. You might have noticed that they all loved to come to school. For the next one and half months, you, their natural guardian will spend the vacations with them. Let's share some tips to make this period a fruitful, memorable and happy period for them.

- ❖ Have at least two meals together with your children. Teach them the importance and hard work of the farmers and ask them not to waste their food.
- ❖ Allow them to help you in cooking. Let them make their own vegetables and fruit salad under your supervision.
- ❖ Learn 5 new words from English Dictionary with their meanings and list them in a note book.
- ❖ Visit 3 neighbors. Know more about them and build a rapport with them. .
- ❖ Visit the grandparents and let your children bond with them. Click snaps with them.
- ❖ Take children to your work spot and let your child understand that you work very hard to support the family.
- ❖ Do not miss the local festivals and local markets.
- ❖ Gently encourage your child to raise a kitchen garden by planting seeds. Knowledge about plants and trees are an integral part of your child's growing up.
- ❖ Share stories about your childhood and your family history.
- ❖ Teach them few folk songs.
- ❖ Get some story books with colourful pictures for your kids.
- ❖ Keep your children away from TV, Mobile, Computers and other electronic gadgets; they have their whole life for that.
- ❖ Avoid giving chocolates, jellies, cream cakes, chips, Kurkure, aerated drinks, too many bakery products like puffs and fried items like samosas.

- ❖ Look into the eyes of your little ones and thank God for giving you one wonderful gift. In a few years from now, they will be soaring into greater heights.

As parents, it is important to invest your time with them now.

Good wishes for a marvelous vacation.

With Warm Regards,

Team Sprawling Buds
